

2024 WILD WEST SHOOTOUT RULES

****MANDATORY MUFFLERS REQUIRED FOR ALL DIVISIONS*****

Schoenfeld Part # 112530, 112535, 113035 and 14272735-78 are the **ONLY mufflers allowed** to be used at Vado Speedway Park for the WWS at ALL TIMES. Cars failing to comply will face severe penalties up to and including race and/or event disqualification.

Super Late Model Rules

TIRES

- LF, LR and RF: Hoosier NLMT 2, NLMT 3 (No 29.0 / 92.0 allowed on front tires or left rear tire)
RR: Hoosier NLMT 3 or NLMT 4
- Grooving and siping will be allowed.
- No chemical alterations or treatments – tire sampling in effect

BODY / SUSPENSION / WEIGHT

- An amended Droop rule will be in place for 2024. 51" **max** measured 6 inches in-board of the left rear t-bar with the left rear tire ONLY off the ground. Up to 1/2 of an inch over is a 4 position penalty. Over 1/2 of an inch up to 1 inch over is an 8 position penalty. Anything over 1 inch is last place. **Chain limiter required with maximum of one 1 inch puck.** All other suspension rules as per the 2023 DirtCar or Lucas Oil Rulebook.
- No internal bumps or springs on LR shock
- All other Body and suspension rules: 2023 Lucas Oil LMDS / WoOLMs
- WEIGHT – 2300 pounds minimum anytime
- SPOILER – 8"
- No Data Acquisition or traction control devices

Modifieds

- You must be 100% legal within the 2023 USRA Modified Rules. ***The IMCA-stamped Hoosier G60s are an optional tire on all four corners also.***

X Mods – Must declare a rules package below and be 100% compliant with the package you declare.

- A. USRA B-Mod racers – must be 100% legal within the 2023 USRA B-Mod rules. Concept engine with 4-barrel carburetor must run a rev limiter with a 6200-rpm chip.
- B. WISSOTA Midwest Modified racers – you must be 100% legal within the current WISSOTA Midwest Modified rules posted at www.wissota.org along with the following requirements: 1) You must run a rev limiter with a 7000-rpm chip 2) You must run the American Racer kk704 tire on all four corners 3) You must run a solid pull bar 4) Concept engine with 4bbl Carburetor must run a rev limiter with a 6200-rpm chip
- C. IMCA Southern Sport Mod racers – you must be 100% legal within the 2023 Southern Sport Mod rules posted at <https://www.imca.com/rules/southernsportmod/> with the following exceptions: 1) You may run the Hoosier G60-15 tire on both rear corners if you choose. Hoosier 500 Series tires must be run on both front corners.
- D. IMCA Northern Sport Mod racers – you must be 100% legal within the 2023 Northern Sport Mod rules posted at <https://www.imca.com/rules/northernsportmod>
- E. Vado Speedway B-Mod/X-Mod racers – you must be 100% legal within the current Vado Speedway Park B-Mod/X-Mod rules.

*****Please note that IMCA Sport Mods may run the American Racer KK704 as long as they are running the balance of their complete IMCA Sport Mod rule package.***
